Mini Review

- Fungicides in managing phyto-fungal diseases: The changing scenario – TS Thind** 1

Research Articles

- Determination of predominant CLCuD Begomovirus species infecting cotton in Northwest India in the current conditions – Manisha Duhan, Shruti Godara, UK Bhattacharyya, M Elangovan, Pradeep Kumar Rupesh Arora, Man Mohan, Vivek Kumar Khare, Supratik Palchoudhury and Kajal Kumar Biswas** 12
- Molecular characterization and enzymatic activity of *Pichia kudriavzevii* isolated from *Cucumis sativus* of Malabar region of Kerala – Anju Joseph and Chandra M** 25
- Seed bacterization with fluorescent *Pseudomonas*: Enhancement of the activity of antioxidant enzymes in chickpea – Rathod Parashuram, Toshy Agrawal and Anil S Kotasthane** 32
- Characterization of fusarium wilt tolerance in cotton – Rani D Nimbalkar, Vivek P Chimote, Subhash S Mehetre and Bhausahab D Pawar** 44
- Efficacy of microbial bio-antagonists and fungicides against damping-off disease of chilli caused by *Pythium aphanidermatum* (Edson) Fitz. – Ayana Chakraborty** 55
- Effect of plant extract and organic amendments for the management of collar rot of cowpea and lentil – Halima Khatoon, Subrata Dutta, Dharmappa D Chavan and Raju Das** 63
- Morpho-anatomical characterisation of some wild mushroom from Baramulla, Jammu and Kashmir, India – Shaista Yousuf, Wasim Sajad Malik, Nayeema Jan, Abdual Hamid Wani, Mohd Yaqub Bhat and Mohd Ashaq Malik** 71
- Zariya: A mini hotspot of basidiomycetes fungi of Valsad district Gujarat India – Hirali D Patel, Hitesh A Solanki and Dilip D Patel** 81

Short Communications

- Effect of various organic supplements on mycelial growth, yield and biological efficiency of milky mushroom (*Calocybe Indica* P&C) – M Elangovan, V Gopinath, C Shanmugaraj and Mohan Kumar Biswas** 89
- Comparative efficacy of biosar tricho, biosar tricho Hz and biosar trichotwin against blast disease of rice caused by *Magnaporthe grisea* – Madhumita Choudhury Basu and Manish Gupta** 93
- Fungal population dynamics in vermicompost and NADEP compost – KK Pandey** 97

Book Review

- Diseases of field, horticultural crops and their management – Volume I and II [English & Hindi] – P Rawal** 102
